Dedication

Mrs. Polly A. Sillers, senior high librarian, is one of the most familiar figures within the halls of Smith-Cotton High School. Her career of thirty years service has rewarded her with the respect and friendship of Smith-Cotton students and alumni.

Because of her continual willingness to help students and faculty alike and the confident, efficient manner in which she produces requested material, Mrs. Sillers has gained the admiration and gratitude of all. Her knowledge of available reference material and reliable information sources has aided countless students in preparing research papers and essays of high quality.

In recognition of her years of service, and time unselfishly given, the yearbook staff wishes to express the appreciation of the entire student body by dedicating this 1970 ARCHIVES to her.

plc

We, the staff of the 1970 ARCHIVES, feel that those individuals who have given their efforts and, in some cases, their lives on the battlefields of our various wars deserve some form of recognition and appreciation within this yearbook. Believing this as we do, we have chosen to honor these men in a small way by dedicating these two pages to them.

By this dedication we are not condoning, nor are we criticizing the cause behind their service. We seek only to give credit in a place where, we feel, credit has long been overdue.

Smith-Cotton Welcomed Alida

The new decade of the 70's began its promising career with Miss Alida Birkeland. In the tradition of the American Field Service, she brought to us her culture and traditions from Norway. Thank you, Alida, for your contribution to Smith-Cotton in 1970.

This past summer the Senior Class of 1970 proudly sent Miss Ruth Cain as their American Field Service Representative to Germany. There Ruth met and formed lasting friendships with people who welcomed her as one of them. Congratulations to Ruth on her commendable job.

Wild,

Wooly,

Another Intramural Basketball Season

Unpredictable,

And lots of fun!

BASEBALL

Starting pitchers Steve Eck, Jim Lewis, and Terry Hudson, kneeling, will be hurling an assortment of pitches at enemy hitters.

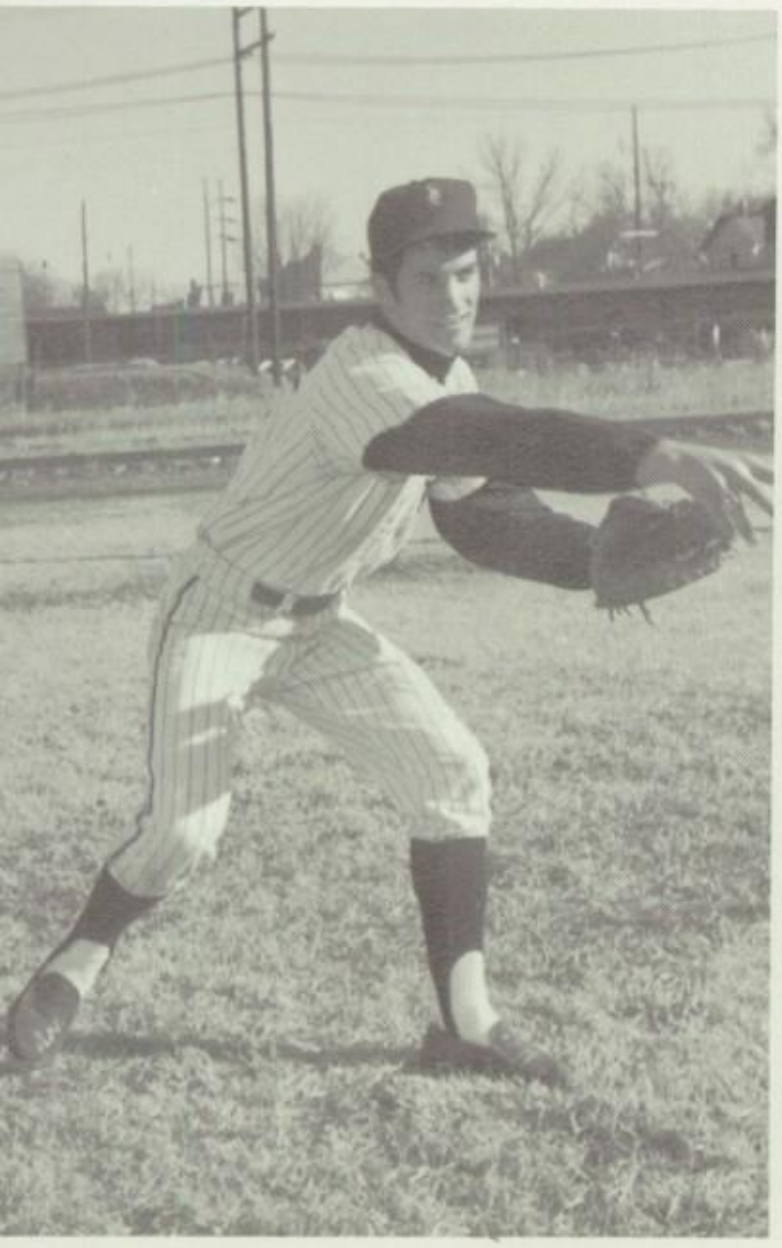
Varsity Tigers, Winners of Six Conference Titles in the '60's

Switch-hitting junior, Steve Gerlecz, along with right-handed hitting seniors Steve Young, Mike White, Paul Kirby, and "Bubbles" Poynter will add offensive punch to the Tigers' line-up.

White waits for a pitch from the ARCHIVES photographer that he never got.

Look To Greater Goals . . .

. . . in the '70's



Hudson practices his pick-off move and finds White too far off base as Steve Holmes puts on the tag.

White gets caught in a run-down and is tagged out by Young as Poynter and Holmes back up the play.

Tigers Are No. 1!

Kirby catches a fly and comes up ready to throw.

Lewis and Eck practice their delivery from the stretch position.

Smith-Cotton High School
May, 1970

To the students of Smith-Cotton High School:

After laboring for nine months over the pages of this yearbook, the staff of the 1970 ARCHIVES now entrusts it to your care. We have spent many hours striving to present to you, the students, the best book yet published. We hope that we have succeeded.

As co-editors, the two of us owe our thanks to many people who have devoted their time and patience to us and to the staff at various times in the past year. We appreciate their efforts.

This is also the time and place, we feel, to extend our sincere gratitude to our sponsor, Mr. Cooper. Without him this would have been a very difficult task.

Within the covers of this book we have tried to capture the highlights of our final year. It is our hope that, at some future time, as you review the contents of the 1970 ARCHIVES, you will once again be united with friends and classmates, if only in memory.

Sincerely,

Trish & Gigi
